BICYCLE RACK LOCATIONS & BICYCLE ROUTES

Bike Path/Multi-Use Path
A bike or multi-use path is an off-road facility, physically separated from motor vehicle traffic by an open space or barrier.

On Street Bike Lane
A lane on a street restricted to bicycles and designated by means of painted lines, pavement coloring, bicycle symbols, or other appropriate markings.

Contra-flow
A contra-flow lane is a bicycle facility marked to allow bicyclists to travel against the flow of traffic on a one-way street.

Protected Lane
Grade-separated one-way bicycle lane or two-way paths, usually located between the street and the sidewalk.

Shared Lane Pavement Marking
A bicycle symbol marked on the pavement intended to remind motorists that bicyclists share the road. Used when there is insufficient space for bicycle lanes and specific bicycle markings are desired.

Harvard Bike Route
An internal road on the Harvard campus.
