Service Information

Daytime Van
The Daytime Van is designed for persons who require mobility support or need to carry bulky items. It is available from 7:30am to 9:00pm daily and is equipped with seats for approximately 12 passengers. The service operates between the Allston Campus and the Quadrangle. For more information, please call 617-495-0400.

Evening Van
Transit, faculty, staff, and students using Harvard campus as a supplement to the shuttle bus systems. The service operates between 4:00pm and 9:00pm daily. For more information, please call 617-495-0400.

Shuttle Advisories
Please refer to the Shuttle Tracker for updated transportation information regarding changes due to weather or construction of the buildings.

Charters Service
Buses and vans are available to University affiliates for charters, as well as for selected groups for both on and off campus service. Charter rates are billed on a hourly basis. For more information, please call 617-495-0400.

Stop
Bus stops are marked with special crossovers, red and white signs. If you wish to not at a non-designated stop, please inform the driver when boarding drivers will make stops requested. It is safe to do so outside of the crossovers.

Shuttle Tracker Online

The Transit Visualization System (Shuttle Tracker) continuously displays the location of Harvard University shuttles and animates their motion against a detailed map of recognizable University buildings and landmarks.

The Shuttle Tracker helps riders save time, stay safe, and have more control over their schedules while enabling management to manage the Transportation fleet with unprecedented clarity.
