## Helpful Tips

### Recurring Orders

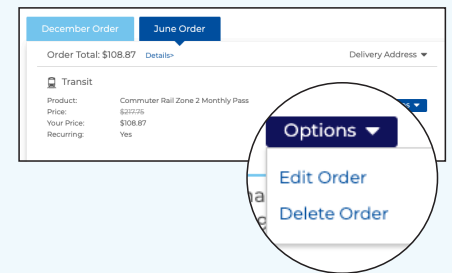

When you set your order to recur monthly, your order will be placed automatically each month. You won't have to log back into your account unless you want to make changes to your order.

If there are any months that you do not need your order, simply select **'Yes'**, and select the months you do not need from the calendar.

### Editing or Deleting Your Order

You can make changes to your order from your dashboard. Under the **'Options'** button, select **'Edit Order'** or **'Delete Order'**.

Changes to your order can be made up until up until the 4th calendar day of the prior month. The last date to order is displayed on the dashboard.
